ASPCA - Salesforce Technical Lead

Job URL

Dear Hiring Manager,

As an experienced Salesforce Technical Lead, I am eager to contribute my Salesforce expertise and leadership skills to the ASPCA's mission of animal welfare. At Docker Inc., I led the development of Salesforce solutions, enhancing user engagement through Lightning Web Components and optimizing data integrity. My tenure at AWS honed my ability to deploy strategic Sales and Service Cloud configurations to elevate operational efficiency, while aligning with healthcare compliance during my role at Deloitte reinforced my commitment to meticulous standards.

I possess a solid background in steering high-functioning teams, fostering their growth through targeted mentorship and career development, which mirrors ASPCA's emphasis on team alignment with significant organizational outcomes. My experience in architecting scalable solutions can directly translate to expanding ASPCA's technological reach, ensuring robust system performance and process optimization.

I am prepared to lead your IT initiatives with innovative thought leadership and the strategic implementation of Salesforce solutions to support ASPCA's goals. Thank you for considering my application.

Sincerely,

Triet Le
