PROFESSIONAL EXPERIENCE

Docker, Inc | *Senior Salesforce Developer*

Dec 2024 - Present | Seattle, Washington, United States

- Engineered Salesforce solutions with Lightning Web Components, Apex, and OmniStudio to drive business improvements and optimize service workflows.
- Architected seamless integrations between Salesforce and third-party applications, ensuring reliable data flow and system interoperability.
- Streamlined complex business processes by deploying automation solutions with Flows, reducing manual efforts and improving efficiency.
- Implemented rigorous data quality and security protocols, maintaining system integrity across sensitive and business-critical information.
- Championed the adoption of AI tools like Agentforce to enhance customer interactions and drive smarter business decisions.
- Mentored junior developers and led code reviews to foster a culture of innovation and continuous improvement.

Amazon Web Services (AWS) | *Senior Salesforce Developer*

Jul 2023 - Dec 2024 | Seattle, Washington, United States

- Spearheaded Sales Cloud and Service Cloud enhancements using Apex, LWC, and custom components, elevating user experience and operational metrics.

- Designed custom dashboards and reports to visualize sales and customer service KPIs, facilitating strategic decision-making across divisions.
- Developed comprehensive Salesforce training programs, elevating user competency and boosting platform adoption rates.
- Led architectural reviews to ensure compliance with Salesforce's governor limits, data governance, and platform scalability.

Amazon Web Services (AWS) | *Salesforce Developer*

Oct 2021 - Jul 2023 | Seattle, Washington, United States

- Constructed robust integrations and services enabling seamless data exchange between Salesforce and enterprise systems.
- Drove migration and transformation projects, enhancing Salesforce infrastructure to support dynamic business growth.
- Collaborated with stakeholders to identify requirements and develop bespoke Salesforce solutions using Apex, LWC, and web technologies.
- Contributed to the successful deployment of Salesforce OMS solutions, increasing operational efficiency and customer satisfaction.

Deloitte Consulting | *Salesforce Developer*

Feb 2019 - Sep 2021 | Gilbert, Arizona, United States

- Delivered end-to-end Salesforce solutions to healthcare clients, aligning with HIPAA compliance and rigorous security standards.
- Implemented robust workflows and automation, minimizing manual intervention and maximizing process accuracy and speed.
- Collaborated in agile environments, delivering iterative Salesforce improvements that aligned with client objectives.

Arizona State University - W. P. Carey School of Business | *IT Support Specialist*

Jun 2016 - Dec 2018 | Tempe, Arizona, United States

- Managed technology support services, resolving complex issues and improving operational efficiency across the institution.
- Co-developed strategic IT solutions tailored to meet enterprise demands within education contexts.

EY | *Risk Advisory Intern*

Jun 2018 - Aug 2018 | Greater Phoenix Area

- Analyzed risk assessments for Fortune 500 firms, providing actionable recommendations for technology improvements and risk mitigation.
