PROFESSIONAL EXPERIENCE

Docker, Inc | *Senior Salesforce Developer*

Dec 2024 - Present | Seattle, Washington, United States

- Engineered and customized Salesforce solutions using Salesforce Industries OmniStudio and Apex to streamline service and sales workflows.
- Reduced automation failures by 20% through robust Apex classes and process optimizations, supporting over 250,000 records monthly.
- Led Salesforce API-driven integrations, enhancing platform connectivity with external systems using REST APIs and OAuth authentication.
- Reduced access-related support requests by 15% via implementing and refining least-privilege access models and permission sets.

Amazon Web Services (AWS) | *Senior Salesforce Developer*

Jul 2023 - Dec 2024 | Seattle, Washington, United States

- Spearheaded Sales Cloud enhancement projects to boost CRM data accuracy and sales process efficiency.
- Increased qualified meeting bookings by 10% through implementation of Chili Piper routing solutions.
- Reduced email follow-ups by 20% by enhancing Experience Cloud portal features for self-service and secure request submission.
- Configured and implemented OmniStudio solutions to streamline healthcare workflows and service requests.

Amazon Web Services (AWS) | *Salesforce Developer*

Oct 2021 - Jul 2023 | Seattle, Washington, United States

- Integrated Salesforce with enterprise systems using RESTful APIs, improving data exchange reliability.
- Utilized event-driven patterns like Platform Events to decouple Salesforce from downstream systems, enhancing scalability.
- Supported pre-sales solutioning by providing insights on Salesforce integration capabilities and technical feasibility.

Deloitte Consulting | *Salesforce Developer*

Feb 2019 - Sep 2021 | Gilbert, Arizona, United States

- Enhanced healthcare CRM processes through customized Apex, Visualforce, and Lightning solutions.
- Reduced document preparation time by 15 minutes using automated templates and Salesforce integrations.
- Participated in data management and quality assurance initiatives to ensure robust operational performance.

Arizona State University - W. P. Carey School of Business | *IT Support Specialist*

Jun 2016 - Dec 2018 | Tempe, Arizona, United States

- Provided support and solutions within an Agile framework to 200+ faculty members, improving overall tech efficiency.

EY | *Risk Advisory Intern*

Jun 2018 - Aug 2018 | Greater Phoenix Area

- Identified and mitigated technology risks across 3 Fortune 500 companies, strengthening IT control environments.
