PROFESSIONAL EXPERIENCE

Docker, Inc | *Senior Salesforce Developer*

Dec 2024 - Present | Seattle, Washington, United States

- Led development of scalable Salesforce Industries solutions, leveraging Lightning Web Components and OmniStudio to support business workflows and automation.
- Executed technical win strategies in collaboration with sales teams, differentiating solutions throughout the sales cycle and directly supporting deal closure.
- Structured Salesforce AI use cases to enhance service and sales workflows, supporting emerging Agentforce and Einstein capabilities.
- Optimized Salesforce user access models and security architecture, reducing support requests by over 15% and improving governance.

Amazon Web Services (AWS) | *Senior Salesforce Developer*

Jul 2023 - Dec 2024 | Seattle, Washington, United States

- Supported enterprise Salesforce transformations by designing and integrating solutions for Sales Cloud and Service Cloud, enhancing CRM data quality and sales process consistency.
- Collaborated in developing Salesforce integrations with external systems using REST APIs and OAuth, enabling seamless data sharing and platform scalability.

- Configured Experience Cloud features to improve client communication and self-service support, decreasing email-based follow-ups by 20%.

Amazon Web Services (AWS) | *Salesforce Developer*

Oct 2021 - Jul 2023 | Seattle, Washington, United States

- Developed Salesforce integrations and Apex REST services, streamlining platform processes using modern integration patterns and asynchronous processing.
- Contributed to solution engineering by assessing Salesforce feasibility, integration options, and reusable component patterns during pre-sales discussions.

Deloitte Consulting | *Salesforce Developer*

Feb 2019 - Sep 2021 | Gilbert, Arizona, United States

- Implemented Salesforce CRM solutions for healthcare, focusing on member services, workflow automation, and HIPAA-aligned data practices.
- Managed user access, data quality processes, and deployment support, enhancing security and system reliability for enterprise users.

Arizona State University - W. P. Carey School of Business | *IT Support Specialist*

Jun 2016 - Dec 2018 | Tempe, Arizona, United States

- Provided technology services and Agile solutions to over 200 faculty and staff, ensuring operational efficiency and system reliability.

EY | *Risk Advisory Intern*

Jun 2018 - Aug 2018 | Greater Phoenix Area

- Assessed technology risks and identified deficiencies for Fortune 500 companies, enhancing security and compliance through critical analysis.
